Dear Sir.

Under separate cover I have sent a small parcel containing a few seals and coins which I collected in Mesopotamia. I should be extremely obliged if you would kindly give me any information you can about them such as period and marketable value.

I am sending them to you on recommendation of F. L. Fisher Esq. of the R.G. Society.

Trusting for an early reply.
I have the honour to be.
Yours truly.

Dear Sir:

I am returning to you, under separate cover, the seal cylinders and the coins. All of the cylinders are genuine except the green one and early Sumarian. The coins we have attributed in several envelopes; none of the pieces are rare or have any special value.

If you care to sell the cylinders, we can give you ten dollars for them. Also, we can give you $3.50 each for two of the gold coins, namely, the one marked Almoravid and the one marked Abbasee.

Very truly yours,

Curator
